Equipment Agreement for Media Lab Interns & Students

This constitutes as an agreement between Youth Rights Media (YRM) and myself, for both borrowing and using equipment (computer, cameras, hard drives, etc).

- I understand that I am responsible for returning equipment in the condition in which I received it.
- I am responsible for reviewing the status of equipment when I sign it out to ensure that it is in working order. I am solely responsible for this equipment until it is checked back in by a YRM staff member.
- If I keep the equipment out for more than two weeks past the due date, it will be considered lost, and I will be responsible for replacing it.
- When returning equipment, all equipment must be placed properly in its case and all cables must be neatly and properly wrapped. Poorly wrapped cables shorten the life of the cable, and not putting equipment in its case could cause damage and make me liable for repairs or replacement of that equipment.
- I understand that I am responsible for equipment that is lost, stolen or damaged while in my care, and I will pay for necessary repairs or replacement. I am also responsible for any administrative and/or shipping fees incurred by YRM when replacing equipment.

Negligence and failure to adhere to these rules could result in the loss of privileges to sign out equipment and/or prevent me from returning to or enrolling in further YRM programs.

YRM equipment is expensive, and we all work hard to maintain it. I will treat it as if it were my own, and I understand the responsibilities that I have to myself and to other borrowers for keeping equipment in working order when it's in my possession.
